- €0,07 per barcode sticker for damaged/incorrect/missing barcodes + hourly rate

We aim to process goods within 48 hours if delivery has been announced via our portal. If delivery has not been announced, we cannot guarantee that we can inbound within 48 hours.

Rates apply if products are supplied with a barcode known in the system. Unknown products are communicated by e-mail so that the products can be announced in our system. The hourly cost price agreed below will be used for this extra action.

Please note: we do not unload deliveries via sea containers ourselves as standard, this is done in consultation and always on the basis of custom rates.
